About this guide

This Financial Services Guide (FSG) has been prepared, authorised and issued by Link Advice Pty Limited (ABN 36 105 811 836, AFSL 258145) (Link Advice).

The purpose of this FSG is to provide you with information about who we are, the services we provide, how we charge for these services, our associations, your rights should you have a complaint, plus other important information. This will help you decide if you wish to use any of the services offered in this guide. If you need more information or clarification on any matter raised in this FSG, please contact us.

You are entitled to receive a Statement of Advice (SoA) whenever you are provided with personal financial product advice. The SoA will contain the advice, the basis on which it is given and information about fees, commissions and any associations which may influence the provision of the advice.

If we provide you with further personal advice where a SoA may not be required, we will keep a Record of Advice (RoA) on file. You can also ask for a copy of the RoA at any time.

You are also entitled to receive a Product Disclosure Statement (PDS) whenever you are provided with advice relating to the acquisition, or possible acquisition, of a financial product. The PDS will contain the main features, costs and benefits of the financial product, which you should consider before making a decision whether to acquire that product.

Link Advice is the providing entity and the authorising Licensee responsible for services provided by its Representatives. We hold an Australian Financial Services Licence (AFSL No. 258145). Our services

Link Advice provides a range of financial advice and education services to suit your life stage. The types of services include:

General Advice – General advice provides you with information about a financial product or service. It can help you learn more about these products or services and assess whether a product or service is right for you. General advice does not take into account your particular financial needs, circumstances or objectives. You should assess your own financial situation and read the relevant Product Disclosure Statement (PDS) before making a decision based on the advice.

Personal Advice – Personal advice is where one or more of your personal circumstances are considered when providing you advice about a product or service. Personal advice may be limited to a particular issue that you have or may encompass your complete financial situation.

The type of advice provided will be confirmed by the representative of Link Advice during your conversation.

How we provide our services

Our advice services are commonly provided through the following channels:

- Over the phone
- Digital (online) advice

How we charge for our services

If a Superannuation Fund (Fund) refers you to us, the service may be offered at no additional cost. The cost is included in the administration fee you pay to the Fund for your membership. Details of fees charged by the Fund can be found in the Fund's PDS.

A Fund can only pay for personal advice when the advice relates to your interest in the Fund (called "intra-fund advice").

Where intra-fund advice fees are not paid for by your Fund, we may charge fees on a fee-for-service basis. Fees start at \$220 per hour including GST. The exact service fee will be agreed with you prior to proceeding with advice so you feel comfortable and confident that the service is right for you. In some cases, we may be able to debit the fee directly from your superannuation account.

How our representatives are paid

Representatives of Link Advice are paid a salary and superannuation benefits. Salaried representatives of Link Advice may be entitled to receive a bonus based on the number of clients they assist, their performance, productivity, revenue and the quality of the experience they deliver. These bonuses are discretionary and are not related to product sales. They do not receive any other form of remuneration or commissions.

Other fees we may receive

Link Advice may receive a fee from a Trustee of a Fund to provide its members with financial planning services. If you would like more information on the service or the fees charged, please contact us.

How complaints are dealt with

If you have a complaint about financial product advice provided by representatives of Link Advice, you can direct your complaint to “The Complaints Officer” at our address listed in ‘Our Contact Details’ at the end of this guide. We will try to resolve your complaint quickly and fairly and within 45 days.

If you do not receive a response to your complaint within 45 days, or are not satisfied with the response after going through the internal complaints process, you can take your complaint to the Australian Financial Complaints Authority (“AFCA”) (ABN 38 620 494 340).

Mail: GPO Box 3, Melbourne VIC 3001

Email: info@afca.org.au

Phone: 1800 931 678

Web: www.afca.org.au

AFCA is an External Dispute Resolution (EDR) scheme which deals with complaints from consumers in the financial system, including the provision of financial products advice. AFCA replaces the three existing EDR schemes of the Financial Ombudsman Service (FOS), the Credit and Investments Ombudsman (CIO) and Superannuation Complaints Tribunal (SCT) so that consumers have access to a single EDR scheme. AFCA may be able to assist you in resolving your complaint but will only become involved after you have made use of the above internal complaints handling process.
